

We are
Adaptable & Flexible
to Take on Most Jobs!

MARTENS
MACHINE SHOP
SINCE 1974

We Are Expanding

What started in an 800-square-foot converted chicken house, now encompasses over 20,000 square feet of machine shop, metal fabrication, and fluid power facilities. Our team of employees has a wide range of skills and experience to better serve our customers.

Family
Owned & Operated
Since 1974
